Spruce-a-Room

Sprucing a room involves transforming a room(s) into a home for a family participating in the Joshua Station Transformational Housing Program.

Spruce-a-Room is such a fun project for a team of folks to do together. The transformation is always amazing. Turning an ordinary hotel room into a home for a family is so special; making it a cozy and peaceful space for them by thinking through who the family is. I have a document which includes all the items teams provide during a Spruce. We typically have most of the big furniture you would need to furnish the unit (beds, dressers, nightstands), but you are welcome to use other items as well. If you are interested in learning more about the Spruce-a-Room program, our volunteer coordinator will be happy to provide an orientation for you and your group.

The spruce list may include some or all of the following items:

- Bedding, mattress pad, zippered mattress covering
- Dinnerware, crockpot, pots & pans, etc.
- Blinds/curtains
- Lamps & light bulbs
- Vacuum & other cleaning supplies
- Towels & bathroom accessories (rug, shower curtain, wastebasket, etc.)
- Storage units
- Calendar
- Decorative items (pictures, mirror, vases, pillows, throw covers, etc.)

Estimated Cost for sprucing a room:

- Single Unit - $1,000-$1,200
- Double Unit - $1,500-$1,800
- Triple Unit - $2,000-$2,500
